G D/F#
I woke up and wished that I was dead
Cadd9
With an aching in my head
D
I lay motionless in bed
Cadd9
I thought of you
G
And where you'd gone
Em7 D/F# G
Let the world spin madly on

G - D/F# - Cadd9 - D

G D/F#
And everything that I said I'd do
Em7
Like make the world brand new
D
And take the time for you
Cadd9
I just got lost
G D/F#
And slept right through the dawn
Em7 D/F# G
And the world spins madly on

G - D/F# - Cadd9 - D

B Cadd9 G
I let the day go by
B Cadd9 G
I always say goodbye
B Cadd9 A
I watch the stars from my windowsill
Cadd9
The whole world is moving
D/F#
And I'm standing still.
